

The love of God has been shed abroad in my heart by the Holy Ghost. I shall endeavor to let that love nature dominate me. I have God's love nature in my heart and in my spirit.

Therefore, I will not let my natural human reasoning dominate me. I refuse to allow the flesh to rule me. I'm going to walk in the spirit by walking in love. I am a lover, not a hater. I will also practice thinking the best of every person so my love can grow and develop so that I can be a blessing to many.

I will make love of God my greatest quest in life for then my love shall abound and God shall reap glory!
