

Father, work in us and give us the desire to obey you and the power to do what pleases you.

Help us Lord to purify ourselves from anything that would contaminate our body and spirit. Perfect our holiness out of the reverence we have for you, God.

I ask for more personal holiness for my spouse and I. May our physical home and bodily temples be holy just as you are holy. Give us the grace to live according to your word in our relationship, in our families, and with one another.

May we have the same mindset as Christ Jesus. Remove any impurity or greed from our hearts. Purify us oh Lord. May we do everything without grumbling and complaining towards one another, but with a willingness to honor and sacrifice ourselves for each other instead.

I pray that our family would be single-minded. That are not only are actions, conduct and speech would be pleasing to you Lord, but also what we watch, listen too and what we say would be full of light. May we be burning pillars of light in these last days to draw many to you in Jesus name!
