

YAWEH I will thank you with all of my heart, I will declare all your wonderful works

I will rejoice and boast about you

I will sing about your name Most High

When the enemies of United States retreat they stumble and perish before You

For you have upheld our just cause

You are seated on Your throne as righteous judge

You have rebuked the nations

You have destroyed the wicked

You have erased their name forever and ever

The enemies of United states has come to eternal ruin

You have uprooted the cities and the very memory of them have perished

But the Lord sits enthroned forever

He has established His throne for judgment

He judges the world with righteousness

He executes judgment on the nation with fairness

The Lord is a refuge for the oppressed a refuge in times of trouble

I declare you are my refuge Lord for the things to come

Those who know your name trust in You, I declare Jesus I trust in you

because You have not abandoned those who seek You , Yahweh

I will sing to the Lord, who dwells in Zion proclaim His deeds among the nations

For the One who seeks an accounting for bloodshed remembers them

So Father we ask that you would remember the elite and the assassination they have done,

Remember the corruption and greed that cause them to kill for money

Father remember those of the shadow government who have conspired with terrorist groups to bring down our nation. Father remember the many satanic rituals that have caused children their lives

Father I pray you would remember the false treaties that have caused the death of many people groups and races. Remember God.

He does not forget the cry of the afflicted. Do not forget the cry of the raped, abused maimed, aborted, neglected and sex trafficked children

Be gracious to us Lord consider the afflicted at the hand of those who hate us Lord

Lift United States up from the gates of death so that we may declare all Your praises

We will rejoice in Your salvation within the gates of Daughter Zion

The nations against United States have fallen into the pit they made, their foot is caught in the net they have concealed

The Lord has revealed himself He has executed Justice striking down the wicked by the work of their hands. Striking down the wicked pharmaceutical companies, striking down the wicked government organizations, striking down the lying media, striking down the wicked shadow government and striking down all the works of their hands. Selah

The wicked will return to Sheol, all the nation that forget God

For the oppressed will not always be forgotten, the hope of the afflicted will not perish forever

Rise up, Lord! Do not let man prevail over United States and our rightful President; let the nations be judged in Your presence. Put terror in them, Lord let the nations know they are only men in Jesus name Amen!
