

Father I ask for your presence in my marriage. I ask for the grace to put one another first before work and even the children.

Give us the grace to have self-less love, laying down preferences in order that we might please each other. Let us be an example of sacrificial love Lord.

I pray our love and intimacy would go far beyond sensual and sexual relations, but it would be a pure holy love that is deep and spiritual as the years go on unto eternity.

I pray we wouldn't sin against each other by thoughts of anyone else in our marriage. As Christ loved the church and gave himself for her help us to love one another and give up ourselves for each other. Help us Lord with your grace in Jesus name!
