

Heavenly Father, I pray my sons would be handsome with pure heart to serve and love you. Create in them a pure heart, a steadfast spirit and a willing spirit to sustain them.

I pray they would have courage and boldness like Joshua and Caleb. May they only see how big their God is next to every problem and situation. I pray they would be their brothers keeper having tender hearts towards each other, the needy and the hurting.

Give them wisdom like Solomon to judge good from evil and discern your perfect will. May my sons walk in the ways of God and in the fear of the Lord for all their days. I pray they would be men of integrity, righteousness and holiness. May my sons be true worshipers those who worship you in spirit and in truth. May my sons go and possess the lands you set out before them and be an example of your love in conduct, speech, faith and in purity in Jesus name!
