

Father I pray my spouse and I would be married to you in faithfulness. That we might know you more and make you known. Give us the grace to hear your voice and stranger may we follow. May we be sheep that are dependent on our shepherd Jesus Christ.

I pray that we would keep our covenant and observe all that you command us to do. May we not turn aside to the right or to the left, but continue walking in your ways for all the days of our life. That we would teach and tell our children about your faithfulness. That we might live and that it would be well with us as you prolong our days in the land you have called us to possess. I pray that our family would be faithful priest who do according to what is in your heart Lord.

May our house be enduring, holding fast to our confession of hope without wavering even in the midst of trials and suffering. May we fear you and serve you in truth with our whole heart and may we always walk in your anointing in Jesus name!
