

Father I pray that we would be faithful to one another not just with our bodies, but by what we do and say. I pray for the grace and gift of oneness.

Your word says in Mark 10:8 that the two will become one flesh. So I pray that my spouse and I would be one, united, one member in you. I pray we would have one mind, one spirit and one heart in you Jesus. I pray against any double-mindedness, I cancel it in in Jesus name.

I pray against selfishness and self centeredness in the name of Jesus. Tether our heart to yours then tether our heart to each other. I pray as you and the Father are one, my spouse and I would be one. That we would be single minded with the vision and purpose of advancing your kingdom here upon this earth.

Bind us together in perfect harmony and love. May we not be ignorant of the enemy schemes and not allow any foothold of division or compromise to come between us. Help us to be faithful to each other, until we pass unto eternity in Jesus name Amen!
