

Lord I want our family to be graced and dependent on prayer, communion with you as you said in Matthew 21:13. Father by my declaration I consecrate our home to be your house. A house of prayer, may our home be filled with your joy.

May our worship be a sweet fragrance and sacrifice at your altar.

May we live to dwell with you and communion with you in prayer for all the days of our lives.

May our children do the same.

Teach us Holy Spirit how to see and hear you more clearly in prayer. Give us the grace to intercede for others continuously out of a motive of love. May our prayer be effective and used as hot coals to ignite the fire of our love for you and lost souls in Jesus name!
