

Father please create in us a pure heart, a steadfast spirit and a willing spirit to sustain us.

Make my spouse and I willing to be made willing to your perfect will in our lives, in every decision. Search our hearts and know us if there be anything in us that offends you take it out.

We want to hear you and see you more clearly in our lives Lord. I pray for the grace to be detached from our wants, plans, desires or opinions that we seek you only in purity and to do your Holy will.

Make us brides that are irresistible with no ulterior motives or agendas. Continue to put us in circumstances that cause hidden offenses of our heart to come out. Squeeze and press us Oh Lord, until all we ooze is Jesus, until all we say, react in is in love, in Jesus name!
