

Father, I give you my heart today, forgive me for trusting in another and in myself. Forgive me for not rising in faith and forgive me for taking offense.

Give me the grace to let go of the small things, to cast down useless thoughts and silence every lying suggestion from the enemy.

Give me the grace where my spouse and I become the storm the enemy fears because of our love for one another and our love for you. Help my spouse and I to walk in that.

Give my spouse the grace to become sensitive to my heart. That their words aren't swords, but sweet as honey and a healing balm over my scars in Jesus name!
