

Father I pray you would grant my spouse and I the grace to have pure love towards each other. I pray we would be completely humble and gentle, being patient and bearing with one another in pure love.

I pray our love would have no selfish motives. Give us the grace for our love not to envy, to not boast or to be proud.

May it not dishonor each other, may it not be self-seeking, easily angered or keeping record of any wrongs. May our love not delight in evil, but rejoice only in your truth. I pray our love will always protect what you have built Lord, may our love always trust in the best of each other.

May our love always hope for the best and always preserve through any storm, trial, argument, suffering or tribulation. Jesus give us the grace to choose love each day. May we grow more in love with you and each other with each passing day until we pass into eternity in Jesus name Amen!
