

Father, please give me your heart towards my spouse so I may build them up to fulfill their purpose you have called them too.

I pray for the grace to build them up with my words, actions and hands. May I continue to call Jesus out of them rather than calling out what they are not doing in Jesus name.

I call my spouse to a deep prayer life. I call my spouse to a deep intimate relationship with Jesus. I call my spouse to hear the voice of the Lord, submit to God so they can direct our family. I call my spouse to have gut level discernment so that they can discern the will of God for our family. I call my spouse to be an amazing, attentive (husband/wife) in Jesus name!
