

Ephesians 3

For this reason we bow our knee before you, Father of my Lord Jesus Christ grant us the rich treasure of your glory to be strengthen with mighty power in our inner man by the Holy Spirit indwelling within us.

That through faith in Christ may dwell in our hearts. Help us to be rooted deep in your love and founded securely on love. That we may have the power to grasp with all the saints to experience that love. What is the breadth, length, height, and depth to experience practically for ourselves the love of Christ.

I pray that we may be filled in our whole being the fullness of God. Now to you who by power is working in us and able to carry superabundantly far over and above all that we ask or think. Beyond our heights, prayers, desires, thoughts, hopes or dreams in Jesus name!
