

Today and everyday I choose trust instead of fear. I believe trust is before faith. I declare a sound quite trust in you God. So I let go and renounce every fear today.

I LET GO of the fear of divorce and separation.

I LET GO of the fear that my spouse will change their heart affection towards me.

I LET GO of the fear of comparison and jealousy between us.

I LET GO of the fear that I won't meet or be up to par with their expectation.

I LET GO of the fear that I won't get along with my in-laws.

I LET GO of the fear of infidelity in our marriage.

I LET GO of the fear that I will become controlling or nagging

I LET GO of the fear that I will be disregarded or not listened to

I LET GO of the fear that they will no longer want to live a radical life of faith with me

I LET GO of my expectations that they have to provide for me, validate me, comfort me, reciprocate my love, to per my way and style of things, that they have to be perfect or strong at all times.

I LET ALL THESE GO and so much more at your feet Jesus. Remind me daily not to pick it up again by your grace.
