

Father I pray you would weigh (mention spouses or fiancé's name) spirit to ensure their heart is always clean before you. I pray that my spouse would commit their works to you so that their thoughts would be established. I pray that they would have a healthy fear of the Lord and depart from evil. May their ways please you that you would make their enemies be at peace with them. I pray when my spouse does business they would be content with a little rather than seek to gain great revenue by injustice.

May their heart be aligned with yours and may you direct their steps. I pray they would be (king or queen) of all that you give them to steward and that divine sentence would be established by righteousness. Give them understanding and wisdom. May they stay in the light of your countenance which is life and your favor upon them. Like a cloud of latter rain, preserve their soul.

I pray that they would be lowly and humble of spirit in all their doings. Give them grace to handle all matters wisely and trust in you Lord to find good and happiness. Make them wise of heart, prudent and increase their lips in learning. Shut their eyes to perverse things. May they be quick to listen, slow to speak, slow to be angry. Try their heart, purify their love and posses them with your love in Jesus name!
