

Lord this is your chosen nation, my fellow brothers and sisters. Your word says in Genesis 12: 1-3 to bless them. So father I pray that you would bless Israel and you would curse those who curse them. As your word says in Psalm 122 to pray for the Peace of Jerusalem. So father I pray for the Peace of Jerusalem and the nation of Israel.

I pray that you would grant divine wisdom for the prime minister and leaders of Israel for the days ahead. Father, I ask you to have Mercy upon them and provide a hedge of protection surrounding the nation and its citizens. That every device, strike, and attack against them will not prosper.

I pray for the faithful fellow believers in Israel to be granted a greater measure of boldness and courage to share your gospel like never before. Father I pray for the lost, your sacred and chosen people that their hearts would be soften and that their harden hearts would be turned to a heart of flesh to receive the gospel.

I pray that the veil and scales from their eyes would be removed and Holy spirit you would convict them of sin that they would repent and surrender to you. Father I pray that they would be restored in to their rightful inheritance into the kingdom of God. Father I declare Israel will be a great nation, I declare Israel will be a blessing, I declare all the families of the earth shall be blessed through Israel in Jesus name!
